Passing Through.

Mr. and Mrs. H. I. Jamieson of Bridgeport, Illinois are in the city in their auto, and in a few days continue their journey to the coast. In their party are eight autos, the others remaining at the Grand Canyon until Monday morning. Storms interfered with them after leaving the above city, when the machines were placed aloof cars in Kansas, and unloaded at Albuquerque, from which point the trip was made overland. All are enthusiastic over Arizona and its interesting scenery. The return trip is to be made by steamer through the Panama canal sometime this summer. There are two women in the party who are over seventy-five years of age and this is the first time any of them have visited the west or crossed the Mississippi river.

Makes Good Showing.

H. A. Price in charge of development on the Bryan mines in Haysayampa district, owned by C. R. Wallace, was a visitor to the city Friday after supplies. He states the driving of the crosscut goes ahead to tap the third vein that appears on the surface and when that point is reached, drifting will begin. The owner contemplates shipping to the smelter this summer.

Condition Improved.

J. Marshall Morgan, who has been at his home for several weeks suffering with an optical affliction was reported yesterday as improving and in a few days will be able to be on the street. It is however said that he will lose the sight of one of his eyes as the outcome of his illness.

Getting Well.

Prof. William Linden, who fell down an old shaft on Groom creek two weeks ago, was reported yesterday as improving and aside from a fractured rib, is not injured internally, as was at first believed. He remains in bed, but will be on his feet again the coming week.

Enjoyable Trip.

F. C. Whisman, J. T. Sheffield, Joe Bold and Alonzo Mason comprised a party of autoists who made the trip from Prescott to Jerome during the week, passing over a section of the new Cherry creek hill cut-off. They state it is a fine highway, and the beautiful scenery that abounds is well worth the time in making the journey.

Brief Visitor.

Judge B. W. Mowday, of Humboldt, was a brief visitor to the city Friday night, in his auto, returning home later. He states that smelting center is assuming much interest again. The new furnace has been completed with good headway being made in constructing the reverberatory and in other additions.

Pioneer's Estate Settled.

The decree of distribution in the estate of Josiah L. Marr, deceased was recorded yesterday. The administrator's statement shows a balance of cash on hand of \$11,623.46, and a certificate of deposit of \$3,000 bearing interest in the Yavapai County Savings Bank. Valuable land interests in the Verde valley are among the assets. The estate is distributed one-third each to the two sisters, and one-sixth each to the son and daughter of the deceased.
